KEYSTONE CAT. 3 UTP

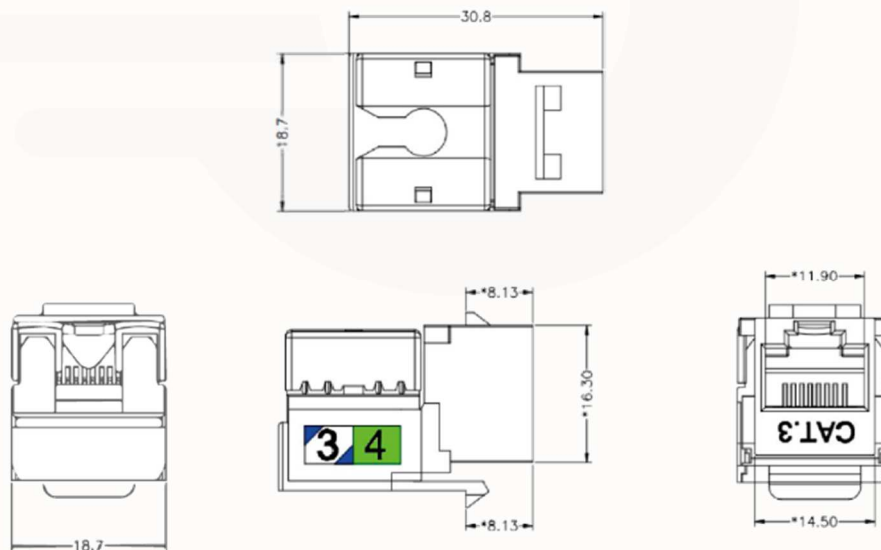

Description

ORCA® Keystone for telephonic application

General Feature:

Available Unshielded	Available in Cat 3
Accommodate termination of 24,26 AWG cable	Backwards compatible
Solid and stranded cable	
Working temperature: -10°/+60° C	Storage Temperature: -40/+60° C
Material: Keystone - ABS	Material: IDC conductor - Phosphor Bronze
Rated current: 1.5 A	Insulation resistance: $\geq 500 \text{ M}\Omega$
Contact resistance: $\leq 10 \text{ m}\Omega$	Conductor DC resistance: $\leq 0,1 \Omega$
Plug in life: ≥ 750 times	Retention force(lifting weight) : $\geq 5 \text{ kg}$
Service life IDC: 200 times of repeated threading	
Withstand voltage: DC 1000 V, AC 750 V, no breakdown within 1 minute	
ANSI/TIA-568-C. 2;	ISO/IEC 11801: 2002/ Amd. 2: 2010;
Meet EN50173	RoHS Directive 2011/65/EU compliant
